Price Adjustments: Unexpected fluctuations in pricing of the commodities Propylene Glycol and Methanol can occur on occasion. Due to these fluctuations, Camco's pricing on Propylene Glycol based Antifreezes and Methanol based Windshield Washer Fluids are subject to change without notice. In the unlikely event of a "Force Majeure" situation within the Propylene Glycol or Methanol Markets, Camco may suspend shipments and alter prices due to interruptions with raw material supplies and costs.

Entire Agreement: These Terms and Conditions and any terms on the front side or reverse side of this document and any attachments hereto will constitute the entire agreement between Camco and Buyer with respect to all goods sold by Camco to Buyer ("Goods"), whether Buyer's order is submitted verbally, in writing, by electronic interchange or otherwise, and supersede any prior or contemporaneous representations, warranties, proposals, terms, conditions or agreements, whether oral or written. If Camco is deemed to have made an offer to Buyer, acceptance shall be limited to these exact terms and conditions and Camco hereby notifies Buyer of Camco's objection to any additional, missing or different terms from those stated herein. If Buyer is deemed to have made an offer to Camco, Camco's acceptance is expressly conditioned upon Buyer's assent to any additional or different terms or deletions (from Buyer's offer) contained herein. No change to or modification of these Terms and Conditions shall be binding upon Camco unless signed by an authorized representative of Camco.
