E-Z View®

Pictured from left to right: Quart 10032, Pint 10016, Half-Pint 10008, and Metal Can Opener 10095.

E-Z MIX® is the Newest Concept in Paint Storage Systems.

The advantages of E-Z View® Clear Cans are:

- No more dented cans
- No more rusty cans
- Side walls act as clear coat finish for mixed paint
- Easy Viewing of paint color and level

Can be used with:

- Automotive finishes
- Water-base paints
- Powder coating paints
- Lite industrial coatings
- Architectural coatings

The chart below shows our line of E-Z View Clear Cans, Don't forget, we also offer a complete line of E-Z MIX® Cups for E-Z color mixing and our E-Z MIX® Color Match Cards that make keeping color records a breeze.
